

20' Custom DesignLine Modular Exhibit

Rental RT3611N

If you exhibit less than 3 times a year, you should consider a Nomadic trade show display rental solution. Our turnkey booth rental solutions are all inclusive and feature the most popular booth rental accessories. Our 20' booth rental features a reception counter which is a greeting station for entering visitors and soaring large format booth graphics that command attention. Prominently display products on tiered shelves or engage visitors with looping presentations on wide screen monitors.
